

MAKE ART REDUCE STRESS CREATE COMMUNITY

Free community art programs by
Onslow Originals nonprofit!

THE M.A.G.

The M.A.G. (Military Art Group) program invites military service members, their loved ones, and caregivers to free open studio art sessions.

Service members from any branch and any duty status are welcome. Loved ones and caregivers can attend without their military sponsor. Children are welcome to attend but must be accompanied and supervised by a responsible adult.

Open studio participants can either bring their own projects to work on or create with the supplies we have on hand. We have creative kits for anyone who needs help deciding what to create. Plus, our mixed-media artist will be there to offer guidance. No art experience is required to attend. **To learn more go to onsloworiginals.org/the-mag**
